Mr. Reuven Nir,  
Director of Pegasus Israel

Dear Sir,

I take this opportunity to write to you in English and you may publish it on your web site.

My wife has already written to you in Hebrew.

We have been on several tours with your group as well as many tours with other companies.

We have never encountered a more delightful, knowledgeable, capable, interesting and totally pleasant guide than Yitzchak Akian.

His calm nature inspired all to join in a positive experience and we became fast friends with many people under his direction.

You now have a couple who will praise your company and especially Yitzchak.

We would go on any tour he leads.

Thank you for hiring such a guide.

The hotels were excellent and the bus very comfortable.

Looking forward to touring with you in the future, I remain

Sincerely yours,

Paul Mogle
