Dear" Pegasus "leaders,

Having returned from Vietnam and Cambodia on Thursday December 22nd, I wish to tell you that you have a most wonderful tour guide - OFER ARAD.

In spite of the fact that I took ill on this trip while in the North of in Vietnam, missing a few of the touring days to the ethnic villages and the rice terraces, after discussing with Ofer all options I decided to continue and complete the trip, including Cambodia. Ofer's personal attention and concern were the determining factor.

I was not the only one who got this" red carpet "treatment - unfortunately many took ill on this trip. Altogether this was a trip where the guide was the main factor for success.

Treasure him before he switches professions again!!!
