To who it may concern.

I, Miriam Drory and Rina Shafir would like to convey our thanks and satisfaction to our guide Hanita during our trip to Baltic countries 13/10/2019-20/10/2019.

We found her attentive, very knowledgeable, pleasant and very organized.

It was a pleasure to be in the group Hanita was leading.

I hope to travel with her again and with Pegasus as well.

Satisfied customers
