

鳴子峡

宮城県にある大谷川が形成するV字状です。一面に落葉広葉樹林が繁茂し、紅葉の季節には黄、赤、濃緑がそれぞれ引き立てあい素晴らしい景観となります。

Handwritten Japanese text, likely a postcard message, including a date and a signature.

The Naruko gorge is a canyon of v type which the Oya river in Miyagi Prefecture forms. The leaf of trees colors at the season of autumnal leaves, and it becomes a wonderful scene.
